## **Röko makes its first Danish acquisition - Lundberg Tech A/S**

Röko has invested in the Danish waste handling system supplier Lundberg Tech A/S. Lundberg Tech develops and manufactures granulators, all-in-one-units and systems. They are designed to convey, cut and collect waste from production processes in industries like labeling, flexible packaging, food and pharma.

Lundberg Tech is a global profitable niche company with 80 MDKK in consolidated revenues in 2019. Röko now owns 85 % of Lundberg Tech and the management, who are all continuing under the new ownership, owns 15 %. Lundberg Tech is headquartered close to Copenhagen in Lille Skensved and has 40 employees in 5 countries.
